

HOMEOBOTANICALS

PHYSICAL • SYNERGISTIC • NUTRITIONAL

Homeobotanical remedies have distinct actions in the body : Physical action includes organ drainage, stimulating the elimination of toxins from specific areas. A Nutritional action, which assists in the assimilation of minerals and other micronutrients and a synergistic action which reinforces whatever other healing techniques are being employed as Hb's maintain balance within the body. The low potency adopted produces a gentle, sustained response resulting in remarkably few problems even in sensitive people.

ALLERGY Formula

HOMEOBOTANICALS

PHYSICAL • SYNERGISTIC • NUTRITIONAL

CEREBRA

(memory) Brain fog, forgetfulness. Deficient memory, senility, depression. Impaired function of the brain and central nervous system

DETOXA

(Drainage) For all environmental toxins, an active drainage remedy to cope with severe systemic toxicity. General system detoxification

DEVILS CLAW

Reduces all inflammation in the body including arthritis & Rheumatism

DYNAMA

(Stamina) The maintenance remedy for immunity and vigorous health.

DYREA

Astringent and Antidiarrhoeal which protects the gastrointestinal mucosa and minimises electrolyte loss and resultant dehydration

EMETA

Nausea. Particularly indicated during the first trimester of pregnancy, debilitating nausea from pregnancy, systemic toxicity or idiopathic origins. Travel sickness.

FIRST AID

Covers the acute, febrile stages of illness. With emphasis on paediatrics. Shock, sudden illness. Nausea, vomiting, diarrhoea, colic & headaches

LACTA

Enhances the nutritional quality of the mothers milk. A safe, gentle stimulant to induce and sustain normal lactation

GLANDULA

Drainage & trophorestorative - balancing remedy for the entire endocrine glandular system.

MARINA

(metabolism) Thyroid support for sluggish and over-active energy states. General reviver. Provides emergency support in life-threatening situations.

NUTRIA

(absorbtion) To stimulate the assimilation of nutrients. Where poor diet, illness or age impedes absorption

Orchitis. MALE

(hormonal balance) Balances and assists male hormonal/prostatic physiology. Support normal male sexual function. Inc. idiopathic male infertility

PLURA

(deep lungs) Chronic & degenerative bronchopulmonary pathology. Relieves distress in chronic asthmatics

PROMYR

(pre- antibiotic) Natural anti-viral, anti-ulcerative and immunostimulant. It has a wide range of action against yeast, fungi, bacteria and protozoa

PSORA

Restores structural integrity of cutaneous & subcutaneous lesions, promoting rapid healing, incl. scar tissue of wounds & broken skin.

PULEXIT (fleas and lice)

Parasites and fungal diseases on animals, specifically fleas and lice. Effective against nits in hair, impetigo, lacerated open wounds.

SERENA

Anxiety, chronic fatigue, convalescence, mental & physical exhaustion, depression, insomnia. PTSD, Panic attacks.

SPASMA (cramps)

Cramps of smooth and striated muscle. Sports, menstrual and GIT cramps. Colic and other painful seizures of the nervous system

SPECTRA Elixir (First Aid)

Calms, centres and rebalances. Particularly effective when been out of sorts for a long time. Rebalances & restores equilibrium.

TRAUMA (Injury)

For physical injuries, trauma and shock. Bites, stings, bruises. Soft tissue injuries. dislocations, contusions, fractures, sprains, haematomas

WART

Used internally & externally for all warts (sessile and pedunculated). For the clinical management of warts, condylomata and warty excrescences

Carcina #21

Chronic diseases including cholecystitis, gastritis, hepatitis, duodenal ulcers, pancreatitis & rheumatism. Supports neoplastic disease incl. Bowel, liver, pancreatic, stomach & throat.

Carcina #22

Chronic disease of the circulatory & endocrine systems incl. diabetes, parkinsons, other hormonal indicated neoplastic diseases.

Carcina #23

Palliative care for the terminally ill. Supports emotional health when facing hopeless conditions. Supports immune system.
